- Information about subscriptions, contact information for publisher
- “Close this window” button
- At this time an email is sent to the user confirming the subscription details.

Client-side backend management tool

The screenshot shows a web application interface for 'E-Sub Automate'. At the top, a dark header bar contains the text 'E-Sub Automate - Sample Newspaper client back-end management tool'. Below the header, the main content area is light gray. It features a welcome message 'Welcome to E-edition Automate', followed by two input fields labeled 'Username' and 'Password'. A 'Log In' button with a gradient background is positioned below the password field.
